

Your Emergency Department.

60,000 new patients per year.

Medical staffing.

Consultants	5	You are one of the five consultants. Today you are working from 08:30 to 16:30 hours. You had expected to do non-clinical work today but the consultant who was due to work the early shift in the ED is away because his sister dies yesterday
Staff Grade	4	}
Specialist Registrars	3	} One Staff Grade and three FY2 doctors will be on duty.
ST1 / FY2 doctors	14	}

Your Diary for today

It is now 08:30 hours.

9.00	ED Returns Clinic (10 patients)
11.00 - 11.30	Meeting with Senior ED nurse and Business Manager. (This is an informal weekly "updating" meeting which you attend whenever convenient.)
13.00 - 14.00	ED Clinical Governance meeting on Risk Management.
14.30 - 15.30	Teaching ED junior doctors "How to keep out of trouble."
