

A Police officer wants to discuss a case with you.....

	Not done	Partially done	Completed
Washed hands & alcohol gel			
Introduced self			
Obtains Identity of officer an rank			
Asks how can I help?			
Stresses needs consent from patient before able to discuss			
Officer says that it is relating to firearm offences			
Acknowledges that it is a serious arrestable offence			
Still refuses access to notes			
Explains needs to be Inspector			
Explains needs request in writing to consultant			
Can still only have demographic information			
Alternative is to apply for a court order			
Thanks officer
