Ready ALL 42/42 Current Episode Within Attendances Showing All DEPs Mr Colin Dibble 13:37 02-Feb-2010

# X-RAYS

The screenshot displays the Symphony Desktop 2.22.4.7 (Pennine Live) interface. A search bar at the top shows 'AEN' and patient details: '1, Left Department, gyne problem, 02/02/2010, 08:50, Dr. Andrew Rowland'. A sidebar on the left lists various actions like 'Post-Reg Triage', 'Nursing Obs', 'A+E Clinician', 'Imaging', etc. The main area features a table of patient data with columns for patient ID, duration, and various time slots. An 'Imaging Request' dialog box is open, with a sub-dialog 'Imaging Request Side' showing options for 'Bilateral', 'Left', and 'Right'. The bottom status bar indicates 'Ready', 'ALL', '42/42', 'Current Episode', 'Within Attendances', 'Showing All DEPs', 'Mr Colin Dibble', '13:39', and '02-Feb-2010'. The Windows taskbar at the very bottom shows the Start button and open applications: 'Symphony Desktop 2...', 'xr3 - Paint', and the system clock at '13:39'.

# INVESTIGATION

The screenshot displays a medical software interface. On the left, a vertical sidebar contains a list of items with various icons (e.g., heart, microscope, person) and a search bar. The main window is titled 'Investigations' and contains several text boxes with instructions:

- Specify the criteria that should be met by Preset Values returned in the Search Results list.** You can click on the drop down for a list of Level 1 lookups that have Preset Values configured for them.
- Alternatively you can specify search criteria for each level e.g. 'Amox, tab, oral'** to search drugs beginning with 'amox', are available in forms beginning 'tab' form and route in which they are taken begin with 'oral'. Remember to use the natural order of the Preset Value fields on the screen when specifying the Search Criteria.
- You can search any number and combination of levels e.g. 'amox' on level 1 only; 'amox, oral' for level 1 and 3; or '.,oral' for level 3 only.**
- You may enter more than one search criteria by separating each using a semi-colon e.g. 'amox, tab, oral; augm'.**

In the center, a dialog box titled 'Pathology Examinations' is open, showing a list of examination types:

- None
- Microbiology
- Standard
- Standard & Coag
- ECG
- Urinalysis/Other
- Pregnancy Test
- Abdo
- Cardiac
- Overdose
- Trauma
- PV Bleed
- Sepsis Adult
- Sepsis Paed
- DVT

The dialog box has 'Cancel' and 'OK' buttons at the bottom. The main window also has 'Cancel' and 'Finish' buttons at the bottom right. The top right corner of the main window shows 'COS' and 'Tracking' icons.

# TREATMENT & DISCHARGE

7

The screenshot displays a medical software interface. A large dialog box titled "Treatment Requested" is open, showing a list of treatment options. The list is organized into several categories:

- Advice Given
  - Advice card (Head Injury)
  - Advice card (POP)
  - Advice card (Whiplash)
  - Advice card given to patient
  - Advice to return if worse or persistent symptoms
  - Advised ICC
  - Alcohol Reduction
  - Caring for your child with broncholitis
  - Dietary Advice
  - Eye Injury
  - Fertile Convulsion
  - Post Coital Contraception
  - Pre Tibial Laceration
  - REASSURE
  - Sexually Transmitted Diseases
  - Smoking Cessation
  - Spacer (How to use it)
  - STI
  - Swallowed FBI
  - Verbal Advice Given
  - Wound Care
- Anaesthesia
- Analgesia
- Community Support
- Conservative
- Did not wait
- Dressing
- Eye irrigation
- Health Visitor
- Medication
- Minor Surgery
- None Required
- Observation
- Other
- Physiotherapy
- Plaster of Paris
- Prescription
- Procedure
- Referred to speciality
- Refused treatment
- Removal of ring(s)
- Soft Collar
- Splint
  - Broad Arm Sling
  - Checkrain
  - Collar & Cuff
  - Crickit Pad Splint
  - Futurio Splint
  - High Arm Splint
  - Humeral Brace
  - Knee Splint
  - Mallet Splint
  - Neighbour strapping
  - Thumb spica
  - Thumb spica Crepe

At the bottom of the dialog box are "Cancel" and "OK" buttons.

Overlaid on the right side of the dialog box is a smaller window titled "Request Comments". It contains a text area for comments, a "Requested" dropdown menu, and a "Request Comments" label. Below the text area are several icons (a smiley face, a sad face, a car, a person, a house, a dog, a cat) and "Cancel" and "Finish" buttons.

The background shows a grid interface with a blue vertical bar on the right. At the bottom of the screen, a status bar displays: ALL | 42/42 | Current Episode | Within Attendances | Showing All DEPs | Mr Colin Dibble | 13:46 | 02-F
